

You may submit an order anytime. Orders submitted during trading hours will be routed to the respective exchange / Counter Party for order execution. Orders submitted after trading hours will be received in 'PO' (Pending to enter queue) status for the next trading day.

Features

- View your available Internet buy and sell limits by clicking on the **View Limits** Button

The screenshot shows the KE Trade website interface. At the top, there's a navigation menu with links like 'About Us', 'Trade', 'Research', etc. Below that is a table of trades with columns for Stock Name, Order Type, Price, Quantity, and Status. A 'Buy/Sell' form is visible, featuring a 'Trading A/C' dropdown, a 'View Limits' button (highlighted with a green box), and fields for 'Buy Price', 'Pymt', 'Settle', 'Forced', and 'Password'. A pop-up window titled 'Account: 0641531 (Cash)' displays the 'Available Internet Buy Limit' as 9,744.70 and the 'Available Internet Sell Limit' as 10,000.00. A red box highlights the 'View Limits' button in the 'Buy/Sell' section.
