

Speed up your order submission with the first-of-its kind BATCH ORDER function. It allows you to submit up to 5 buy and/or sell SGX orders (cash orders only) at any one time, saving you time and effort with our exclusive multiple order submission feature.

Features

- Submit up to 5 buy and/or sell SGX orders simultaneously

9.1 Use of BATCH ORDER

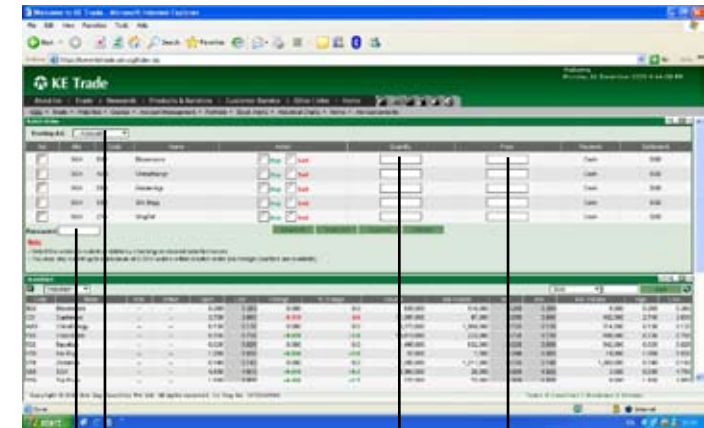

- Right click on any stock counter from the WATCHLIST Pagelet or QUOTES Pagelet to access the Drop-down Menu
- Select BATCH ORDER from Drop-down Menu to add the pagelet. The BATCH ORDER Pagelet will be propagated with your chosen counters
- At the BATCH ORDER Pagelet, enter desired order details, checked the "Select" boxes for orders you wish to submit and key in your password. Then click the Submit Icon
